PEELS/MICRODERMABRASION/DERMAPLANING

SOLD AS SINGLE TREATMENT OR PACKAGE OF 3

OBAGI RED CARPET

CHEMICAL PEEL & FACIAL

\$175

Our most popular peel. Uses prescription-strength salicylic acid, lactic acid, and glycolic acid. Repairs collagen in the dermis while visibly reducing pore size, wrinkles, and acne. Can be paired with a dermaplaning or microdermabrasion. IMMEDIATE results and no downtime. May be done every 4 weeks.

PCA SENSI/ULTRA CHEMICAL PEEL

\$175

Customizable peel for all skin types. Improves damage caused by aging, sun, and acne. Customizable with vitamin C, retinol, or hydroquinone. Can be paired with microdermabrasion or dermaplaning. Minimal downtime, some flaking. May be done every 4 weeks. Ultra Peel add-on: \$25

MICRODERMABRASION

\$175

Mechanical exfoliation with diamond tip to remove the outermost layer of any dry, dead skin cells. Can be paired with Obagi Red Carpet Peel or PCA Peel. No downtime. May be done every 4 weeks.

DERMAPLANING FACIAL

\$175

Good for all skin types. Skin treatment that uses an exfoliating blade to skim dead skin cells and hair from your face. It aims to make your skin's surface smooth, youthful, and radiant. Can be paired with Obagi Red Carpet Peel or PCA Peel. No downtime. May be done every 4 weeks.

"YOU PICK TWO" SPA DAY

\$300

Combine 2 treatments for deeper, more effective results in the same session. May be done every 4 weeks.

SKIN REJUVENATION

SOLD AS SINGLE TREATMENT OR IN PACKAGES

DIAMONDGLOW™ FACIAL

INCLUDES FACE, NECK, EYES, LIPS

\$225

One of our most popular treatments. Exfoliates, extracts, and infuses skin simultaneously. DiamondGlow™ is more than a facial. Unlike traditional wet facial treatments like HydraFacial, DiamondGlow™ utilizes a patented, recessed, diamond tip wand to deliver a next-level resurfacing treatment that deeply cleans and rejuvenates the skin with medical-grade technology and ingredients. Zero downtime. Recommended treatment every 4 weeks. Sold as an individual treatment or package of 3; may be combined with dermaplaning.

Select from 4 different protocols: Pore-Refining for Acne | Skin Brightening for Pigmentation
Hyaluronic Acid Ultra Hydrating for Rejuvenation | TNS Advanced for Coarse Wrinkles & Sagging

MICRONEEDLING WITH HYALURONIC ACID

\$550

One of our most popular treatments for wrinkles, acne scarring, large pores, and texture improvement using SkinPen. Only FDA-approved microneedling device on the market known for its patented technology and depth of treatment. Designed to improve your skin's overall appearance upon healing and stimulate collagen. Downtime of 1 - 2 days; results last for 4 - 6 months. Neck add-on available.

AQUAGOLD FACIAL

\$650

Dermal infusion using gold microchannels to infuse filler, botox, antioxidants, and vitamins into skin, giving it a youthful appearance with results lasting 3 - 4 months and no downtime.

MICRONEEDLING WITH PLATELET-RICH PLASMA (PRP)

\$650

Uses PRP patented technology to derive a high concentration of biological, nutrient-rich cells that triggers release of autologous growth factors. Neck add-on available.

MICRONEEDLING WITH PRP LIFT

\$850

"The works." In addition to microneedling with PRP, PRP is directly injected into problem areas, such as tear troughs, cheeks, and deeper folds. Perfect way to naturally rejuvenate the under-eye area. Neck add-on available.

PRX-T33 FACE & NECK REJUVENATION

4 SESSIONS

\$1200

A non-peeling peel that combines the effects of H₂O₂ and high concentration TCA. It is non-invasive, absolutely painless, and the results are immediate. This is an excellent treatment for sun damage, melasma, age spots, and overall facial rejuvenation. Typically a series of 4 treatments spaced 1 week apart.
