price list

PEELS/MICRODERMABRASION/DERMAPLANING

SOLD AS SINGLE TREATMENT OR PACKAGES OF 3

OBAGI RED CARPET CHEMICAL PEEL & FACIAL 175 / 450

Our most popular peel. Uses prescription-strength salicylic acid, lactic acid, and glycolic acid. Repairs collagen in the dermis while visibly reducing pore size, wrinkles, and acne. Can be paired with a dermaplaning or microdermabrasion. IMMEDIATE results and no downtime. May be done every 4 weeks. Add on dermaplaning for \$75.

PCA SENSI/ULTRA CHEMICAL PEEL 175 / 450

Customizable peel for all skin types. Improves damage caused by aging, sun, and acne. Customizable with vitamin C, retinol, or hydroquinone. Minimal downtime, some flaking. May be done every 4 weeks. Dermaplaning add-on: \$75. Add Ultra Peel add-on: \$25. Retinol peel add-on: \$75.

MICRODERMABRASION 175 / 450

Mechanical exfoliation with diamond tip to remove the outermost layer of any dry, dead skin cells. Can be paired with Obagi Red Carpet Peel or PCA Peel. No downtime. May be done every 4 weeks.

DERMAPLANING FACIAL 175 / 450

Good for all skin types. Skin treatment that uses an exfoliating blade to skim dead skin cells and hair from your face. It aims to make your skin's surface smooth, youthful, and radiant. Can be paired with Obagi Red Carpet Peel or PCA Peel. No downtime. May be done every 4 weeks.

"YOU PICK TWO" SPA DAY 300

Combine 2 treatments for deeper, more effective results in the same session. May be done every 4 weeks.

NON-LASER SKIN REJUVENATION

SOLD AS SINGLE TREATMENT OR IN PACKAGES OF 3

DIAMONDGLOW™ FACIAL 225 / 650

INCLUDES FACE, NECK, EYES, LIPS

One of our most popular treatments. Exfoliates, extracts, and infuses skin simultaneously. DiamondGlow™ is more than a facial. Unlike traditional wet facial treatments like Hydrafacial, DiamondGlow™ utilizes a patented, recessed, diamond tip wand to deliver a next-level resurfacing treatment that deeply cleans and rejuvenates the skin with medical-grade technology and ingredients. Zero downtime. Recommended treatment every 4 weeks. Sold as an individual treatment or package of 3; may be combined with dermaplaning. TNS \$25 upgrade.

Select from 4 different protocols: Pore-Refining for Acne | Skin Brightening for Pigmentation
Hyaluronic Acid Ultra Hydrating for Rejuvenation | TNS Advanced for Coarse Wrinkles & Sagging

AQUAGOLD FACIAL 650 / 1900

Dermal infusion using gold microchannels to infuse filler, botox, antioxidants, and vitamins into skin, giving it a youthful appearance with results lasting 3 - 4 months and no downtime.

MICRONEEDLING

One of our most popular treatments; Minimally invasive procedure designed to boost collagen and elastin, reduce fine lines and wrinkles, improve scars, fade hyperpigmentation, reduce pore size, enhance skin texture and tone and increase skincare product absorption. Downtime 1-3 days. Neck add-on: \$200. Sold as individual treatment or package of 3.

Hyaluronic Acid: HA holds 1,000 times its weight in water, it provides intense hydration and rejuvenation to skin 550 / 1550

Platelet-Rich Plasma (PRP): A high concentration of nutrient-rich cells that triggers release of growth factors 650 / 1900

Exosomes: 3x more growth factor than PRP; more significant results using stem cell technology to build collagen 750 / 2100

PDRN: Derived from salmon DNA, used to trigger cellular repair, accelerate collagen production, and hydrate skin 750 / 2100

PRP Lift: In addition to PRP microneedling, PRP is directly injected into tear troughs and other problem areas 850 / 2500

price list

INJECTABLES

NEUROMODULATORS

DAXXIFY 15/UNIT

Innovative formulation of neuromodulators using peptide technology to give you faster-acting, longer-lasting results compared to Botox. Enhances skin texture and appearance. Lasts up to 6 months.

BOTOX 15/UNIT

Allergan Botulinum Toxin Type A neuromodulator; smooths lines and wrinkles. Results typically last 2 - 4 months.

XEOMIN 13/UNIT

Contains a very pure, double-filtered form of botulinum toxin. As such, your body is much less likely to develop antibodies to neutralize its effects. Last 2 - 4 months.

COLLAGEN-BUILDING FILLERS

RADIESSE 700

Merz collagen-building filler that acts as a powerful biostimulator while adding volume to diminish signs of aging. Good for cheeks and jawline. Lasts 12 - 18 months.

FACE/NECK REJUVENATION STARTS AT 1400

Using hyperdilute Radiesse, a collagen-building filler that acts as a powerful biostimulator to subtly enhance volume and texture of skin. Includes 2 syringes of Radiesse. Generally, a minimum of 2 syringes is required for the face and 2 for the neck.

HYALURONIC ACID FILLERS

VERSA 350 / 600

Revanesse Hyaluronic acid filler. Great for lips and may be used for all areas of the face. Lasts up to 1 year. Available as a half syringe or full syringe.

RHA | FILLER COLLECTION 700

The Resilient Hyaluronic Acid filler collection offers a portfolio of versatile formulations made to serve distinct patient anatomies and aesthetic needs. Enhance lips, cheeks, nasolabial folds, jawline, and undereye areas. The RHA collection is designed for dynamic facial movement and formulated to resemble your body's natural HA. Lasts up to 15 months.

LIQUID LIFT PACKAGE 1600

Let us do what we do best with fillers. Facial balancing is a customized treatment using dermal fillers to enhance harmony and proportion between features. Mix and match 3 syringes.

OTHER INJECTABLES

PRP UNDEREYES 300 / 800

Use your body's own growth factors to naturally stimulate collagen, improve crepey skin and dark circles, and restore a brighter, refreshed appearance. Single or package of 3

KYBELLA 700 / 1250

Deoxycholic acid to improve appearance and profile of moderate to severe fat below the chin and contour the jawline. Results are permanent. Mini or full treatment.

LASER TREATMENTS

PRICING STARTS AT

MICRO LASER 550

A full-face laser treatment that builds collagen while treating fine lines, pigmentation, and age spots. Neck and décolletage add-on available; 2 - 4 days downtime.

MINI CO₂ LASER 900

Aggressive, anti-aging, fractional laser treatment. Takes up to 2 years off the age of your skin in one treatment; Neck and décolletage add-on available. 3 - 5 days downtime.

CO₂ LASER 1900

Our most aggressive anti-aging, fractional laser treatment. Takes up to 5 years off the age of your skin in one treatment; Reduces deep wrinkles, fine lines, acne/surgical scars, sun damage, and skin laxity, resulting in a smoother, tighter, and more youthful complexion. Neck and décolletage add-on available. 5 - 7 days downtime.

BODY CONTOURING 1400

Cutera Laser truSculpting iD: rated higher on RealSelf than CoolSculpting. One treatment of truSculpting gives 24% permanent fat reduction and skin tightening using radiofrequency technology. Popular areas: abs, flanks, chin, and thighs. Minimal discomfort and no downtime.

LASER HAIR REMOVAL VARIES PER AREA

Cynosure Elite IQ lasers: the industry's gold standard in equipment. Safe, effective, long-term hair removal for men and women; safe for all skin types. Alexandrite-755 and Yag-1064 for darker skin types. Sold as a single treatment or packages of 3 or 6 treatments. 6 treatments usually result in about 75% - 99% reduction of hair.
